Hellgate Elementary School will be conducting a FALL Early Childhood Screening on Friday, October 11th, 2019 with appointments from 8:30am to 11:30am in the Hellgate Elementary K-2 Building.

*Residents within District #4 who have concerns about their child's development may call to schedule an appointment. This is not a screening for Kindergarten readiness.

Hellgate Elementary School staff will screen children ages 3-5 years in the areas of vision, hearing, speech and language, motor skills, and cognitive development.

Developmental screening for children 0-3 years will be conducted by the Child Development Center (CDC) staff. This screening event is provided at no cost.

To schedule an appointment, please call 532-4024.

The results of the screening will be shared with parents/caregivers.

If a concern is identified, recommendations will be discussed.
